MAY 9 MOTHER'S DAY

MAY 20 TENTATIVE BIKE
PARADE

MAY 27 TENTATIVE GRAD
CELEBRATION/FAREWELL

It is hard to believe we are on the home stretch! I hope you all had a great Easter break & are ready to finish off the year strong! I have created a pet shop in our classroom so for the next few weeks we will be taking care of our pets & learning about animals. We will also be talking about Earth Day & making the Dads a little something as we won't be together for Father's Day.

In May we will talk about butterflies & celebrate our Moms. I am hoping to have a bike parade in May as well as a small grad celebration on the last day (May 27th). Everything is up in the air right now so I will keep you posted as soon as I figure out what we can & can't do. I am thinking it will be outside if the weather permits, kind of like our Christmas concert. In the event of bad weather, we will do something virtually. I really want to make sure the kids have something

special. They have worked so hard this year!

I also wanted to let you know that I will not be teaching at MT in the fall. An extra class has been added at my South Corman Park School & I just wasn't able to juggle it all. We have hired an amazing replacement, Nicole Soloduik. Please check out our FB page or website to see her bio. I will miss being at Mother Teresa but I know "Mrs. S" will be a great addition to the MT family.

As for the end of our school year, please continue to send an extra mask with your child in case theirs gets "wet" after we come in from being outside & please continue to keep your child home if he/she is not feeling 100%. We have been so blessed this year to have stayed so healthy & a big part of that is credited to you. Thank you again for all of your support!
